WRESTLING

Mr. Spears and his sixth grade wrestlers. 7th and 8th wrestlers train with Central and West squads.

Above: The Longfellow Middle School Concert Orchestra under the leadership of Ms. Kirtley.

Below: The Longfellow Middle School Intermediate Orchestra under the leadership of Ms. Kirtley.

Above: The Longfellow Middle School Concert Band under the leadership of Mr. George Shaw.

Below: The Longfellow Middle School Intermediate Band under the leadership of Mr. George Shaw.

Above: An important phase in the training of young musicians is Longfellow's Sixth Grade Beginning Band. The band is under the leadership of Mr. Joe Spurlock.

During the past year the vocal music department has done an outstanding performance. The department has performed at PTA and has studied hard to participate in the various concerts which they have attended out-of-town. The many talented young persons have added much to the exploratory programs which have been given in the school. The vocal music department is under the leadership of Ms. Robberson.

Above: Mr. Pierce, assisted by Mr. Berglan, led the Longfellow Eighth Grade Football team to a 4-1-2 season record.

Above: Mr. Pittman, assisted by Mr. Berglan, coached the Eighth Grade basketball team through a 13-4 winning season. The team took third place in the Western Oaks Tourney and were second in the Southern Division Conference.

Mr. Baldwin's Seventh Grade Football team enjoyed a winning season of 5-1-0.

Mr. Fleming's Seventh grade football team finished the season 4-1-1 for a fine winning season.

Mr. Pittman's Sixth Grade Football team wound up the season with a winning 4-2-0.

Mr. Spears Sixth Grade Football team had a winning season of 3-2-1.

Above: Mr. Baldwin's Seventh Grade Basketball team had a Superior season with a 13-1-0 record.

Below: Mr. Berglan's Seventh Grade Basketball team also had a superb season with a record of 10-1-0.

Above: Mr. Fleming's Sixth Grade Basketball team ended the season with a 5-3-0 record.

Below: Mr. Pierce's Sixth Grade Basketball team has a record of 1-7-0 for the season.

Above: Coach Francisco's Eighth Grade Basketball Team enjoyed a 4-3-1 winning season.

Below: Coach West's Seventh Grade Basketball ended the season with a perfect record of 10-0.

Above: Coach Fairbank's team posted a record of 5-3 for a winning basketball season.

Below: Coach Gammil's Seventh Grade Basketball team had a superior season of seven wins and one loss.

OPEN AREAS

Right: Relaxed concentration and reading.

Middle: Science Room and Science activities.

Below: Intent listening and hearing.

MORE OPEN AREAS

Right: Intent research in the Media Center.

Middle: Study and games in the Media Center.

Below: Busy Art Room Activities.

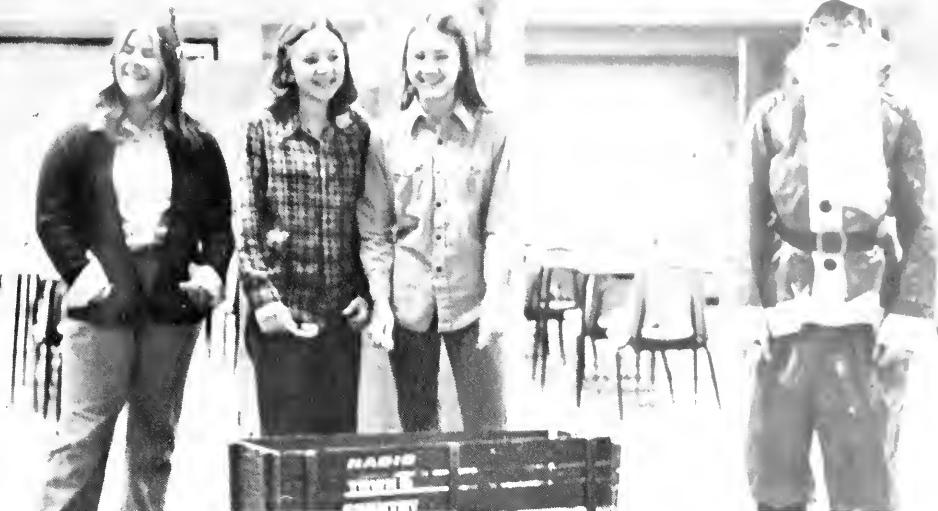

SPEECH

Above: Slippery Dee

Right: "Sorry, I didn't know I was in the picture."

Below: Cast of Movie:
"As the Heart Beats" or
"As the Drumb Rolls".

Above: Santa and crew exemplify the citizenship as practiced at Longfellow. Santa was allowed to distribute candy sticks as a reward in a contest in which a substantial amount of money was raised for the needy. Longfellow students not only study citizenship but practice it in and out of class.

Below: Longfellow students also have fun. This typifies one of the ways in which we let our hair down. However, in spite of it all good citizenship won out and we were still able to have our regular class work during our fun week.

For my friend &
I am glad to
get to know you all with
and I hope you all with
get to make out with
and the make out with
Frank Johnson. Have
a good time and
Be kind to everyone
